

Oh! The Things You Could Be.

Anything you want to be...

You can be anything you want to be
For there are limitless possibilities

For those who love to cook,
you can be a chef or a police officer if you get
a thrill from catching a crook

An actor or actress if you love the big screen
A janitor or maid for those who love to clean

Helping heal the sick is ideal if you
want to be a nurse or a doctor
NB If you're athletic, tall, and a good shot blocker

Patience, and a listening ear, is needed to become a shrink
Strong hands, and big tools for a plumber to fix your sink

Knowledge is power! Some love to teach!
An attorney can help you, if a contract is breached!

A hardhat and blueprints when working construction
Firemen to put out fires and prevent destruction

No job too big, no job too small
Although they are different the world needs them all

Put your best foot forward, and you will see
That YOU can be, anything that you want to be!
