SCHOOL COUNSELOR

Hey, hey you, yes, you right there!

Why are you bullying her?

No bullying is allowed,

Have you realized people take their own life

Everyday because of bullying?

No, well now you know,

Next time try to help a person out

Instead of bullying them,

Because bullying is a CRIME!

So be considered of other people

And their feelings because life is short,

So, help them out by

Assisting them on a math problem,

Or be their friend,

Trust me you can make someone day.

Like my student Madison, she took her own life at the age of nine,

She was just in the FOURTH GRADE!

With being a SCHOOL COUNSELOR,

I can stop all types of bullying,

I could CHANGE THE WORLD!!!
